

Risen brand photovoltaic panels

Are risen solar panels a good brand?

If you're looking for a tried and tested mid-range solar panel, then all the evidence suggests that Risen are a good brand to select. In particular, we would recommend any of the below 3 solar panel models which feature greater efficiency and a 25-year product warranty.

Is risen solar a solar installer?

A hands-on review of Risen Solar and their RSM 40 panel by Solar Choice CEO Jeff Sykes Note: Solar Choice is not a solar installer and has no financial or other incentives to promote any product brand over another. Risen Energy Co., Ltd. was founded in 1986 and converted from being a producer into a solar panel manufacturer in 2002.

Are risen solar panels available in Australia?

Risen has set up distribution channels in Australia including recently announcing a 150MW distribution agreement with One Stop Warehouse giving them exclusive rights to Risen's 330W Jäger Solar Panels. How Much Do Risen Solar Panels Cost? Should I Buy Risen Solar Panels? What is a Bloomberg Tier 1 Solar Panel?

Is risen energy a global leader in photovoltaic technology?

This remarkable Pmax output solidifies Risen Energy's position as a global leader in photovoltaic (PV) technology. Recently, Risen Energy won the bid as the first candidate for China Datang Co., Ltd. (hereinafter referred to as "China Datang") for the 2024-2025 centralized procurement of photovoltaic modules (bidding section 3).

Who are risen solar panels?

Risen has been supplying solar panels to Australia since 2008 and has developed a local office and team based in Mt Waverley, Victoria. Risen has set up distribution channels in Australia including recently announcing a 150MW distribution agreement with One Stop Warehouse giving them exclusive rights to Risen's 330W Jäger Solar Panels.

Do risen solar panels have a warranty?

Most Risen solar panels come with a 15-year product warranty which is ahead of the market standard of 12 years. This year Risen has introduced a 25-year product warranty for 4 of their new solar panels (which are listed on this document). Looking through Risen's warranty documentation, there is a clearly documented process to claim a warranty.
